Candidate Name: (Please Print) Andrew Schach

Address: Lakeside Community

Optional – Please provide a brief statement regarding why are you interested in serving on the Board of Directors, or regarding other information you wish to share?

I am interested in serving on the Board in order to implement the wishes of those who live in
the community. I have raised issues at board meetings in the past, but I have not felt heard. I
want to allow for us to use our homes, our garages, as we see fit. The pandemic has led to new
considerations with working from home, home schooling, and home gyms. I also believe we
should be able to park in our own driveway. Street parking is an issue, but that can be properly
regulated without impacting our driveways and our garages. Some regulations are odd, such as
the seven tree types allowed, one of which blooms into a rotten fish smell. I want to use a
common sense, fiscally responsible approach with the HOA. I own a law firm in downtown
Sacramento. I understand the HOA requirements. We need new board members, new voices,
new ideas. I am volunteering to be one of those new voices.
