

# Elk Grove Station Project Draft EIR Now Available For Review

**VIRTUAL  
PUBLIC  
MEETING**  
for the draft  
Environmental  
Impact Report (EIR)

The proposed Elk Grove Station will be part of the Valley Rail Sacramento Project which is a planned passenger rail service between Stockton and Sacramento. The Elk Grove Station is one of the six proposed stations.

The **San Joaquin Regional Rail Commission (SJRR)** has released a draft EIR for the Elk Grove Station Project. Interested parties are encouraged to review the draft EIR on the project website: <https://sjrrc.com/elk-grove-station/>. The 45-day review period begins on December 3, 2021 and ends on January 18, 2022. Printed copies are available for review at: City Hall, the Elk Grove Library, the Franklin Library and SJRR. Formal comments for the Environmental Impact Report process should be in writing either mailed to SJRR or sent to [elkgrovestation@gmail.com](mailto:elkgrovestation@gmail.com).

SJRR is hosting a **Virtual Public Meeting** for the proposed Elk Grove Station Project draft Environmental Impact Report (EIR) on **January 11th** from **5:30 to 7:00 pm**. This public meeting will provide an opportunity for SJRR to share additional details on the proposed Elk Grove Station and present key highlights of the draft EIR.
